

## CANNABIS SAMPLER TOUR

Cannabis culture is on the rise in the US, particularly Colorado, and curious travelers are taking the trip to find out what all the hubbub is about. Where there's smoke there's fire and Denver is hot right now offering ganja-friendly hotels, tours, culinary classes and even spa treatments. House of Travel has the 4-1-1 on these offerings in Denver, and other hotspots throughout the state. As experts in niche travel, House of Travel can package the following offerings for "Best Buds" Bachelor/Bachelorette parties, guys or girls getaways or for couples looking to take their relationship to a "higher" level.

### Denver Ganja Friendly Hotels and Bud and Breakfast

Downtown Hotels starting from \$149/night | Bud and Breakfast from \$179/night | Private residences from \$179/night. Some provide Vaporizers, are near dispensaries and local attractions.

### VIP Dispensary & Grow Tour - \$99 per person

A friendly luxury limo bus will pick you up and grant VIP access at Denver's top retail marijuana dispensaries, with great discounts, giveaways, and a fully guided buying experience. Guests will have exclusive access to one of Colorado's most advanced industrial grow facilities for an insider's look at marijuana growing, cultivation, and process from clone to packaging. Also included is a stop at a local Denver restaurant for a meal followed by a visit to one of the world's top glass shops or an evening event.

### Sushi and Joint Roll Dinner \$59 per person

Learn how to roll joints, roll sushi and sample wine in this one-of-a-kind intimate dinner experience. Led by a top Denver Itamae or sushi chef, event includes Sushi dinner made by guests, rolling papers, prizes and more.

### 420 Friendly Airport Transfers

To and from downtown hotel \$150 (up to 4 pax) – with stop at dispensary and offers a 10% discount

### Cannabis Cooking Class \$129 per person

Located in the beautiful historic Highlands area of Denver, the Stir Cooking School offers a "Stoner Bowl Cooking Class" for adults who want to learn to tweak their cooking techniques and add marijuana into meals. These hands-on cooking classes enable students to make five mouth-watering cannabis-infused dishes.

### Cannabis Massage \$95 in studio / \$115 in room

Cannabis infused Massages are performed with the highest quality marijuana oils infused with active THC and CBD oils used not as a form of getting "high" but for the purpose of deep muscle relaxation and naturopathic form of pain relief providing a sense of deep relaxation and even a sense of "floating."
